MEMORANDUM FOR: Chief, DO [REDACTED] 25X1A
THRU : Chief, DO 25X1A8a
SUBJECT : DO/[REDACTED] History

25X1A8a 1. In furtherance to our conversation of 8 December 1970, transmitted herewith are CIA Historical Staff comments on the DO/[REDACTED] History (Attachment A).

25X1A9a 2. I would suggest that as a first approach you have Messrs. [REDACTED] read the History (Attachment B) and indicate whether they are, or are not, in agreement with it as written. If the former, a notation from each stating they have read and concur would be helpful. If the latter, any additional information they might provide could be incorporated therein.

3. If you are unable to document or satisfy the additional questions raised in the attached Memorandum I am prepared to so advise the CIA Historical Staff. In any event, revisions will have to be submitted to Chief, DO for approval in advance since he already has approved the history as now written.
